

There are two practical ways to get from the Radisson Blu Hotel to Landungsbrücken, Bridge 3/4, where the Halunder Jet departs:

From Dammtor station, take the S2 towards Altona. Get off at the first stop at Sternschanze station. From there, change to the underground station Sternschanze, a 3-minute walk east of the S-Bahn station. Continue on the U3 towards Wandsbek Gartenstadt. Get off at the third stop, 'Landungsbrücken'. From there, it is only a few metres to the ferry terminal.

The second option is to take the S3 towards Bergedorf from Dammtor station. Change at the main station from platform 4 to platform 1 and take the S1 towards Blankenese. Get off at the third stop, at the 'Landungsbrücken' station.

Both options take about the same amount of time, approx. 20 minutes.

The total journey from the hotel to the Landungsbrücken on foot takes about 35 minutes, and the distance is 2.5 kilometres.
